Go 'off the beaten track' where you will get a taste of local life and experience some of the best nature spots in Holland. On the bike, you will discover that Holland is not so flat and boring as its reputation suggests!

Join us on a cycling adventure through the Polder and Plassen region. On the Polder and Plassen tour, you will discover the region south east of Amsterdam. We will cycle through scenic areas, along lakes and through typical Dutch nature and farmland. You will cycle past old castles, forts and bunkers...

You will visit and discover places such as Muiden, Weesp, AnkeveensePlassen, De Spiegelplas, Baambrugge and Abcoude. These are all typical, local Dutch villages and recreational areas. There will be many breaks on the way to relax. If the weather is good there's also time for a swim.

Most Important: Bring a good sense of humor and a fun attitude!
